Subject: Goodyear cooperation with GTZ GmbH.

Goodyear Middle East FZE, based in Dubai, United Arab Emirates, is a Goodyear affiliated company responsible for sales and support of Goodyear products in the Middle East, Central Asia and Africa Regions.

Goodyear Middle East FZE is an office who ultimately reports back to the Goodyear Tire & Rubber Company's Head Office in Akron - Ohio - USA.

Due to the logistics involved in servicing countries and end user customers with unique supply conditions, Goodyear Middle East FZE has sought out specialized partners with the requisite skills and experience to facilitate the business.

Bukkehave Ltd is the partner that Goodyear Middle East FZE has used for the past 4 years to serve the needs of the UN. All Goodyear's substantial business dealings with the United Nations and global NGO organizations are channeled through Bukkehave Ltd.

Using the correspondence and dialogue to date, between Goodyear and GTZ, we suggest that the most practical way forward for a mutually beneficial supply and delivery relationship between Goodyear Middle East FZE and GTZ, would be for GTZ to deal through Bukkehave Ltd.
